#### **GPSEC Public Sector 2025 Justification Letter**

DATE: [CURRENT DATE]

TO: [NAME OF APPROVING AUTHORITY]

FROM: [YOUR NAME AND POSITION]

SUBJECT: Request for Approval to Attend GPSEC Public Sector 2025

In accordance with the Department of War memorandum on "Personnel Participation in External Engagements," I respectfully request approval to attend the GPSEC Public Sector conference at Convene in Arlington, VA on November 5, 2025.

#### **Event Details**

• Event Title: GPSEC Public Sector 2025

• Date: November 5, 2025

• Location: Convene, Arlington, VA

- Host Institution Type: Industry cybersecurity conference with federal government focus
- Event Type: Educational conference with presentations, breakout sessions, and networking
- Conference Pass Cost: \$0 for Public Sector and FSI attendees

### **Alignment with DoW External Engagement Principles**

# **Principle of Disclosure and Broad Audience**

This event is open to public sector professionals and features diverse perspectives from government agencies, academia, and industry. Participation will allow DoW to:

- Engage with cybersecurity professionals across multiple agencies and departments
- Access diverse viewpoints on emerging threats and mitigation strategies
- Connect with new audiences in the cybersecurity field who can provide valuable insights to our operations

### **Principle of Accuracy**

Attending GPSEC will improve the Department's ability to deliver information effectively by:

- Providing current intelligence on AI-powered threats and quantum computing risks directly applicable to our [SPECIFIC PROJECT]
- Offering 5+ breakout sessions on real-world customer use cases that can enhance our understanding of evolving threat landscapes
- Enabling knowledge transfer of proven security strategies back to our teams with specific, actionable intelligence

# **Principle of Professionalism**

GPSEC has consistently demonstrated high standards of professional engagement by:

- Facilitating respectful exchange of diverse opinions through moderated panel discussions
- Maintaining a focus on educational content rather than confrontation or controversy
- Creating an environment for fair and equitable exchange of cybersecurity perspectives

## **Principle of Cost-Efficiency**

This engagement represents proper stewardship of taxpayer dollars as:

- The conference pass is provided at no cost for public sector attendees (\$0)
- The knowledge gained will directly support our [SPECIFIC INITIATIVE], potentially saving significant remediation costs from emerging threats
- The single-day format minimizes time away from regular duties

# **Estimated Budget**

- Travel Costs: \$XXX
- Hotel: Approx. \$196 per night (GSA government per diem rate, plus applicable taxes + fees)
- Conference Pass: \$0
- TOTAL ESTIMATED COST: \$XXX

# **Professional Development Value**

Attendance will provide [NUMBER] Continuing Professional Education (CPE) credits through ISC2, supporting my professional certification requirements while delivering immediate value to our department's cybersecurity posture.

#### **Expected Benefits to DoW**

The knowledge gained will directly support our mission to defend the homeland by:

- 1. Enhancing our capabilities against [SPECIFIC THREAT VECTOR]
- 2. Informing our approach to [SPECIFIC DOW PRIORITY]
- 3. Building relationships with counterparts at other agencies facing similar challenges

I will provide a comprehensive after-action report detailing specific insights and applications to our current operations within one week of returning from the conference.

Thank you for your consideration of this request.

Respectfully submitted,
